Curriculum Focus—Design Technology

Across school, there has been a focus on teaching and learning in Design Technology this week—from Bridges and structures in Class 2 to food preparation and cookery skills in Classes 3 and 5. Our curriculum cycle in each class means that each term there is a 6 week focus on Design Technology. Knowledge of foods, food types and how to keep healthy is a core part of the food technology curriculum. Visit our Curriculum pages, on the website to find out more. At the bottom of our Curriculum Statement page is a link to the curriculum for the year for each class:

<http://www.highercallprimary.co.uk/curriculum/curriculum-statement>

Plenty of tasting in Class 3—as well as practising chopping, grating, peeling! Lots of healthy vegetables!

Class 5 have gone further with their skills—full vegetable preparation and cutting. Knowledge of those healthy foods is a key part of the curriculum and our school focus on being 'Happy, healthy and Safe'

Class 1 have been staying safe and learning how to use woodwork tools. Look what they have been constructing!

Clubs payments

Please can you ensure that you are up to date with bills for extended schools provision. These were sent out last week and it really helps us if they can be paid online promptly.

Class 4— Play in a Day

A letter was sent home this week. Class 4 will be taking part in a fun play in a day on Thursday 31st March. This was really successful with Class 5—lots of fun, great oracy skills and improved confidence. We're sure that Class 4 will be the same. Please complete the online form.

Shropshire Star—Cash for schools

Please keep collecting the tokens for us—on Saturday there is a bonus 10 tokens so if lots

of us pick up a copy it will really boost our token numbers. The tokens finish at the start of April—so please tear out at home and keep together to send in just before Easter.

DATE	EVENT

**Respectful, Resilient, Responsible,
Reflective, Resourceful**

Lovely focus across school this week—and lots of candidates for our weekly 5R Stars!

Well done to:

Class 1: Nellie—being responsible and resourceful

Class 2: Oscar —being respectful

Class 3: Oliver—being reflective and resilient

Class 4: Laiisha-Rai—being resilient

Class 5: Imogen— being resilient

Parent—Teacher meetings

Thank you if you have already booked your appointment—dates noted above in the calendar.

Bookings will remain open until Wednesday 23rd March at 4pm. We sincerely hope that we can see you all—to share achievements and successes and also to look at next steps in learning for your child. If you have any problems booking a time slot, please contact Mrs Machin in the office.
