**The new garden area**

It has been lovely this week watching the children enjoying the new garden area. We have been talking about how we use the area—and what other things the children might like to have to enjoy in the area, including more books, bean bags and activities such as drawing and writing. We've also had a great Eco Warriors group busy watering this week so that the newly planted plants don't dry out in this mini heat wave! We hope to look at the other side of the area next—and how we can improve the use of this space.

**PSHE curriculum**

A leaflet came home this week via email with details of our PSHE curriculum, which includes our teaching in RSE (Relationships & Sex Education). Please do have a look at it—and the curriculum details on the website as it is such an important part of the school curriculum. We teach a lot of the curriculum through discussion and role play.

**Clothing**

Please make sure that normal school jumpers are named—the hoodies are easy to find the right owner—but we have found this week that normal school jumpers are being left outside and we can't return them.

**Year 6 SATs meeting—On Tuesday 5th April at 3.30pm** we will hold a short information session about the Year 6 SAT tests. This will tell parents about the structure of the week, and how scores are worked out and when the results return into school. It is also a chance to ask any questions.

**Swimming**—an online form has been sent out this week to inform you about swimming lessons for Classes 3, 4 and 5—starting with Class 3 on Wednesday 4th May.

**Shropshire Star—Cash for schools**

Please keep collecting the tokens for us—on Saturday there is a bonus 10 tokens so if lots of us pick up a copy it will really boost our token numbers. The tokens finish at the start of April—so please tear out at home and keep together to **send in on Monday 4th April.**
