**Welcome back!**

We all hope that you had a lovely Easter break—the children have had a superb start to the term. This half term is super short—so lots to pack in, including SAT tests for Year 6, and SAT assessments for Year 2. Please make a note of the events on the calendar. A few more to plan for including a Year 6 production—dates to follow!!

**Class 5 busy calculating angles outside**

**Class 2 playing time games!**

**Class 3 practising sculpting**

**A busy start to the term—more pictures on the website!**

**Education News**

The Government published a new white paper on Education last month—'Opportunities for all, Strong schools with great teachers for your child'. It is an interesting read which some positive thoughts about training and targeted support. There is also currently a consultation on a green paper about supporting children with special needs. If you would like to have your say, please use the link below:

Thank you if you have managed to send in a smarties tube this week with some change. They will now be counted and we will share with you how much we have raised next week.

**Shropshire Star—Cash for schools**

So exciting that we won the Cash for Schools competition in the Shropshire Star!

A huge thank you to you all, especially to those of you who collected lots from the local community, or badgered family members—it worked!

Thank you again to Cheri Williams and the twins who counted and cut out thousands of tokens!!

Plans for the money—renovate the opposite area to the new garden. The wheels have been set in motion and we are awaiting quotes!

**There is a feature in the Shropshire Star on Tuesday next week—with photos and a short article!**

**Please can you ensure invoices for clubs are paid.**
