**Careers Week—next week**

We have lots of exciting events planned for next week—including a couple of lovely surprises!

The children will be finding out about all sorts of different careers—which use science in their role (which to be honest is most jobs!). We also want to challenge their ideas about the jobs that men and women do too. We have visitors scheduled in, plus a couple of visiting treats—not giving anything away!

**On Friday 15th July there will be a non-uniform day—and the children can come dressed as a career which uses science. Be as creative as you want!**

**An Olympic visitor!**

We were incredibly lucky yesterday because we had a visit from Malcom Tarkenter—a Paralympian basketball player. He talked to the children about his career, his resilience in life and he brought along his Olympic medals and an Olympic torch!

All the children who took part in our Tri-Ercall received a medal from him. Thank you to DRM Aggregate Solutions, who donated the medals.

If you still have sponsor money—please do send in to the office, or send a donation online to:

**Friends of High Ercall Primary School;  
Acc no: 62698868; sort code: 77-27-25**

£995.00 raised so far which is amazing—but a little more would be great. We'd really like some lovely new play-ground markings at the start of next term to help encourage activity at playtimes. They are quite expensive!

**Reports and Open Evening**

Tonight, your child's report will come home which details their achievements and progress this term. Please do complete the online form with your comments and feedback too—a link is in the letter with the reports, but also on the email with this newsletter.

Apologies for the slightly late notice of the open evening, which was missed off the dates calendar. Hopefully you will be able to pop in to see your child's books from this year (most of which will come home on the last day), and also go to see your child's new teacher and classroom for next year.

**Year 6 Leavers Events**

**Year 6 show (with a little help from Year 5 and some Y3/4)** - tickets coming home today and information has been sent out via email. 6.00pm start with children back at 5.30pm please.

**Forest festival— Friday 15th July:** an online form has been sent out today with further information and facepaint / glitter permission!

**Leavers' assembly** for our Year 6 children will start at **11.00am on Wednesday 20th July**. It will last about 45minutes, and will then lead into the picnic for parents and children.

The picnic will be organised by school—and there will be food for parents and children. Please complete the form sent out so we have an indication of numbers.

DATE	EVENT
w/b Monday 11th July	Careers Week in school

Friday 21st October	Start of half term
Monday 31st October	Return from half term
Friday 16th December	Break up for Christmas

**Online safety newsletter**

This month's online safety newsletter has some great tips and information about **TikTok and WhatsApp**. As both of these have age guidance above the age of our children (13 for TikTok and 16 for WhatsApp), it is worth reading the advice and consider how safe it really is.

## SR Stars!

**Respectful, Resilient, Responsible,  
Reflective, Resourceful**

**Well done to:**

**Class 1: Alexander—being responsible**

**Class 2: Zac—being responsible**

**Class 3: Pavan—being responsible**

**Class 4: Dougie—being responsible**

**Class 5: Kalen—being reflective**

**Note from the kitchen**

If your child is in Year 6—please ensure all outstanding debts are settled. Any money left on accounts can be transferred to younger siblings.

On **Thursday 21st July** there is a menu change to Burgers and chips as an end of term treat. If its nice weather we may even eat in picnic boxes and go outside!
