### What's going on in school?

There's lots of food and tasting going on in our Design Technology this half term—from burgers to salads! Food technology is a big part of the DT curriculum—teaching the children knowledge about food types and skills to combine and make different food items!

Look at our website for more info about our DT curriculum.

### Sports Day arrangements

On Thursday 18th, next week, we are hoping for dry weather for our sports day! You will have received an email yesterday with the colour t-shirt for your child / children. We have tried to keep most family groups together for ease. If you have an old coloured t-shirt that you don't want anymore—please bring for our pre-loved rail in the entrance. Please note we have changed the yellow team to a white t-shirt—so a school PE tee is fine!

Please also ensure your child has a water bottle, jumper, maybe a coat and is wearing shorts / trainers.

Class 1 and 2 will start almost immediately at the start of the day—so you are welcome to stay after drop off. Please bring yourself a chair or rug plus something warm!

Class 3, 4 and 5 will start at 10.45am—and should last about an hour and a half, until lunch. Please don't arrive before 10.30am, as Class 1 and 2 may still be running!

**FHEPS will be selling drinks and cakes in between the events.**  
**If you are able to donate a cake or buns / traybakes, please could you send them in that morning.**

### Year 6

Our Year 6 children have been fantastic this week—resilient and responsible with some pretty tough tests. As we have told the children, the tests are a snapshot and they don't test how amazing they are in so many other ways. Every child in that year group is brilliant at lots of things—and that's what is important. The test papers are sent off—and we will get the results in July. They are what they are—and we don't need to think about them anymore!

A day at the park on Monday is calling for all the children!

## 5R Stars!

**For being: Respectful, Resilient, Responsible, Reflective, Resourceful**

#### Well done to:

**Class 1: William—being resilient**

**Class 2: Dawson—being resilient**

**Class 3: Ava-Rose—being responsible**

**Class 4: Harry E—being responsible**

**Class 5: All of Year 6—what a resilient bunch**

### Class 3 trip to Blists Hill

A reminder that the children in Class 3 are out on a trip on Monday—and will need a home packed lunch, unless ordered through school. They should wear their school uniform with sensible shoes, a coat and bring a water bottle.

**We are looking forward to a lovely day.**
