

Governing Body Lettings Policy

Aim

To facilitate the safe use of the School premises.

General Statement

The Governing Body recognise that:

- the school buildings are a valuable community resource;
- educational usage constitutes a natural priority;
- profit margins would be welcome when derived from private or commercial usage but are not the objective when facilitating educational activities;

Guidelines

- 1) All lettings will be at the discretion of the Governing Body or its representatives, who may refuse lettings if they consider it in the interests of the school to do so.
- 2) All hirers must comply with the terms and conditions for hire set out on the application form.
- 3) All hirers must be over 18 years of age.
- 4) The School's delegated budget will not be used to subsidise any lettings by community or commercial organisations. All income must be paid into the official school budget to offset costs incurred by the delegated budget.
- 5) The Governors recognise that it would be impossible for them to personally vet every applicant or organisation who wishes to make use of the School premises. Accordingly they have delegated authority to accept applications for hire to the Headteacher and School administrator. No organisation with known links to extremist groups, or expressing extremist views will be given permission to hire the premises or grounds.
- 6) In the event of a dispute the matter will be referred to the Headteacher.
- 7) All formal hiring of the school premises, including any for which there is no charge made, shall be properly documented. All hirers must complete a letting agreement and are to receive a copy of the conditions of hire. The letting agreement is a contract which the Governing Body may enforce law.
- 8) The Governing Body will not normally insist upon a continuous caretaking presence. However, the Headteacher has a delegated power to insist upon staff presence where in her view the nature of the hiring may leave the school vulnerable to theft or damage.
- 9) All letting are to be non-exclusive and the school may enter or remain on the part of the premises that is subject to the letting at any time.

Child Protection

All organisations that involve children under the age of 18 years must have a child protection policy in place. A copy of this policy should be attached to the application when submitted and will form part of the agreement.

The policy must contain:

- i. Confirmation that DBS checks are carried out on all staff and volunteers and that checks are repeated every 3 years.
- ii. Process for training/informing staff of relevant child protection issues and updates.
- iii. Process/procedure for reporting suspicions and disclosures.
- iv. Process/procedures for allegations made against a member of staff.

- v. Confirmation that the Policy is reviewed every 3 years
- vi. A list of staff/volunteers and their disclosure certificate numbers and issue dates

A safeguards checklist must be completed by the hirer at the time of application.

Charges

- Charges are set and reviewed by the Governor's Core committee annually.
- The Headteacher is empowered to use her discretion to adjust the charge for individual lettings where the letting involves a substantial number of school students, is in line with the school mission statement or is likely to be of substantial benefit to the local community.
- All lettings must be paid in full in advance or in the case of regular lettings paid in full on receipt of invoice.
- The Governors reserve the right to require a deposit over and above the hiring charge as a surety against damage to the premises (including any equipment) or the premises being left in an unacceptable condition necessitating their incurring extra cost for cleaning, caretaking or other expenses.
- The Governing Body is constrained by law to apply Value Added Tax to all transactions where this is appropriate. In general, lettings for non-sporting activities are exempt from VAT, whereas sports lettings are subject to VAT, unless exempt by virtue of, *inter alia*, a block booking of 10 or more sessions. For specific lettings clarification should be sought from the schools finance officer.

Cancellations

The Governing Body will seek to recover any cost incurred by the school which are unavoidable and result directly from the cancellation of a letting.
