What's been going on in school—focus on DT!

Fairground rides in Class 5

Pneumatics in Class 3

There's a lot of technology being taught across school—levers and sliders, pneumatics, electrical control. Ask and see what your child can tell you.

Christmas events

Sadly, we will not be able to hold our Christmas Carol service or KS1 production again this year. We are still planning to hold a Carol service as two separate key stages—with Christmas songs and readings. We will then video this—like the Harvest Festival—and put the link on the website.

Class 1 and 2 are also planning a Christmas festivity to share with you—more details to follow.

Christmas dinner—a form will come home today to book your child's Christmas dinner on Thursday 16th December. Wear a Christmas jumper or top if you have one!

Theatre trips—please make sure that you have completed and returned the forms for the theatre trips for Classes 2,3,4 and 5.

Please can you ensure payments have been made, where you have indicated you are able to.

Christmas cards—children will be allowed to bring Christmas cards into school from Monday 6th December so please hold onto them until then!

I hope we will have a **special Christmas visitor** in the last week of term—we'll have to wait and see if he's got time to pop by!!!

Thank you so much for the gifts which have been brought into school.

Just a reminder that any gifts you may wish to donate need to be in school by Monday next week please to give us time to take them to the relevant donation point.

NEXT WEEK!!!!

Sponsored Reindeer Run—Friday 3rd December

Please continue to gather any sponsors for the reindeer run next Friday. The children can come in that day wearing just antlers plus their normal school wear—but if they want to go full reindeer in some way then that is fine too!!!

They will do their run either as laps of the school field or the school playground depending on the weather.

Please can you help Mrs Wallace out by completing the survey of parent jobs—so that we can look at how we bring this into our curriculum.
