Lovely art work in forest school for Class 2

Class 3 have been investigating the best material to use for curtains in science

Class 5 have been using role play to develop their speaking and listening skills which also supports them with their writing.

Year 3 Lunch

Year 3 invited their parents/carers into school on Thursday to sample Mrs Bowen's 'infamous' Big Breakfast—we hope it lived up to expectations! Many thanks to Mrs Bowen!

Football team

We sent 6 players to a football tournament this week—they were fantastic and held their own against some teams that have playing together for years!!! Brilliant job and a credit to school as always.

STEM Live event

Mrs D'Angelillo arranged for C4 and C5 to attend a live event exploring the dark universe with the Euclid space telescope on Thursday. They learnt about how the telescope explores how the Universe has expanded and how structure has formed over cosmic history, revealing more about the role of gravity and the nature of dark energy and dark matter. All very fascinating, and great to be part of a larger, live event.
